Mr. Sletmoe,

I have received your email requesting die ownership to be transferred from Northwest Territorial Mint to Lebanon Fire District. I have found the artwork for your coin and would be happy to process this request. **The court has determined that NWTMINT retained ownership of all NWTMINT dies created to produce coins, medallions or other**

4. Ms. Baker's email was very confusing as my understanding was that I would have an opportunity to have the Court determine the ownership over the dies.
