1 Court **HEREBY FINDS AND DETERMINES AS FOLLOWS:**<sup>1</sup>

2 A. The Court has jurisdiction over the Sale Motion pursuant to 28 U.S.C. §§ 157 and  
3 1334, and this matter is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A), (M), (N), and (O).  
4 Venue of this case in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

5 B. As evidenced by the affidavits of service previously filed with the Court, the Trustee  
6 provided proper, timely, adequate and sufficient notice of the Sale Motion, the Sale Hearing, the  
7 transactions contemplated under the APA in accordance with the United States Bankruptcy Code,  
8 the Federal Rules of Bankruptcy Procedure, and the Local Rules of the Bankruptcy Court for the  
9 Western District of Washington. Such notice was good and sufficient, and afforded parties a  
10 reasonable opportunity to object or be heard with respect to the matters that are the subject of this  
11 Order, and no other or further notice of the Sale Motion or the Sale Hearing shall be required.

12 C. The Trustee marketed the assets being sold pursuant to the APA with Buyer (the  
13 “Purchased Assets”) and conducted the sale process in compliance with applicable law and rules.  
14 The Trustee has not previously sold, assigned, or conveyed the Purchased Assets.

15 D. The Trustee has full power and authority to execute the APA and all other documents  
16 contemplated thereby, and the sale of the Purchased Assets by the Trustee have been duly and  
17 validly authorized by all necessary action of the Trustee.

18 E. Approval of the APA and consummation of the sale contemplated therein is in the  
19 best interests of the Debtor, its creditors, its estate, and other parties in interest.

20 F. The Trustee has demonstrated both (i) good, sufficient, and sound business purpose  
21 and justification, and (ii) compelling circumstances for the sale of the Purchased Assets pursuant to  
22 11 U.S.C. § 363(b).  
23

24  
25 <sup>1</sup> Findings of fact shall be construed as conclusions of law and conclusions of law shall be construed as  
findings of fact when appropriate. *See* Fed. R. Bankr. P. 7052.

**Below is the Order of the Court.**

1           G.       The APA was negotiated, proposed and entered into by the Trustee and the Buyer at  
2 arm's length without collusion or fraud, and in good faith within the meaning of Section 363(m) of  
3 the Bankruptcy Code. As such, the Buyer is a good faith purchaser under Section 363(m) and is  
4 entitled to all the protections afforded thereby.

5           H.       The consideration provided by the Buyer for the Purchased Assets pursuant to the  
6 APA (i) is fair and reasonable, (ii) is the highest and best offer for the Purchased Assets, and (iii)  
7 will provide a greater recovery for the Debtor's creditors than would be provided by any other  
8 practical available alternative. The transfer of the Purchased Assets to Buyer constitutes a transfer  
9 for reasonably equivalent value and fair consideration under the Bankruptcy Code.

10          I.       The transfer of the Purchased Assets to the Buyer will be a legal, valid, and effective  
11 transfer of the Purchased Assets, and, as except as expressly stated in this Order, will vest the Buyer  
12 with all right, title, and interest of the Debtor to the Purchased Assets free and clear to the fullest  
13 extent permitted under the Bankruptcy Code or other applicable law of all interests in such property  
14 of any person or entity.

15          J.       The Trustee may sell the Purchased Assets free and clear of all interests, including  
16 liens, claims and encumbrances, because one or more of the standards set forth in 11 U.S.C. §  
17 363(f)(1)-(5) has been satisfied. Other holders of interests who objected to the Sale Motion fall  
18 within one or more of the other subsections of 11 U.S.C. § 363(f) and are adequately protected by  
19 having their interests, if any, attach to the cash proceeds of the sale attributable to the property  
20 against or in which they assert an interest, in the same order of priority that existed prior to the  
21 closing and subject to all objections, counterclaims, recoupments and other defenses of the Debtor's  
22 estate.

23                   **NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND DECREED**  
24 **THAT:**

25          1.       The Sale Motion is GRANTED as described below.

**Below is the Order of the Court.**

1           2.       The findings of fact and conclusions of law recited above are incorporated herein.

2           3.       All objections to the Sale Motion or the relief requested therein that have not been  
3 withdrawn, waived, or settled, and all reservations of rights included therein, hereby are overruled on  
4 the merits.

5           4.       The APA, and all of the terms and conditions thereof, is hereby APPROVED.

6           5.       Pursuant to 11 U.S.C. § 363(b), the Trustee is authorized and directed to consummate  
7 the sale to Buyer, pursuant to and in accordance with the terms and conditions of the APA.

8           6.       The Trustee is authorized and directed to execute and deliver, and empowered to  
9 perform under, consummate and implement, the APA, together with all additional instruments and  
10 documents that may be reasonably necessary or desirable to implement the APA, and to take all  
11 further actions as may be requested by the Buyer for the purpose of assigning, transferring, granting,  
12 conveying and conferring to the Buyer or reducing to possession, the Purchased Assets, or as may be  
13 necessary or appropriate to the performance of the obligations as contemplated by the APA.

14           7.       Except as otherwise specifically provided herein, pursuant to 11 U.S.C. §§ 105(a) and  
15 363(f), the Purchased Assets shall be transferred at Closing to the Buyer, free and clear of all  
16 interests, including liens, claims, and encumbrances, with all such interests to attach to the net  
17 proceeds of the sale in the order of their priority, with the same validity, force and effect which they  
18 now have as against the Purchased Assets, subject to any claims and defenses the Debtor may  
19 possess with respect thereto.

20           8.       The sale of the Purchased Assets by the Trustee to Buyer (A) is or will be legal, valid  
21 and effective transfers of the Purchased Assets; (B) constitutes a transfer for reasonably equivalent  
22 value and fair consideration under the United States Bankruptcy Code; and (C) except as otherwise  
23 specifically provided herein, will vest Buyer with all right, title and interest of the Debtor to the  
24 Purchased Assets free and clear of all liens, claims and encumbrances pursuant to Section 363(f) of  
25 the Bankruptcy Code (other than liens created by Buyer).

3 permanently enjoined from pursuing or asserting such interests against the Purchased Assets, the  
4 Buyer, or any of its assets, property, successors, or assigns.

5           10.      Except as specifically provided in the APA and this Order, the transfers contemplated  
6 by the APA do not and shall not subject the Buyer to any liability for claims against the Debtor by

8 thereof, including claims relating to the operation of the Debtor's business before the Closing Date;

11 any additional contracts and/or other agreements which have been previously entered into by the  
12 Debtor.

13           11.      The transactions contemplated under the APA do not amount to a consolidation,  
14 merger or de facto merger of either the Buyer or the Debtor and/or its estate, particularly as there is  
15 no substantial continuity between the Buyer and the Debtor, no continuity of enterprise between the  
16 Buyer and the Debtor and the Buyer is not a mere continuation of either the Debtor or its estate.

17           12.      This Court retains exclusive jurisdiction to interpret, enforce, implement and resolve
