RE: Surety, Subrogee and Claim Case No. : 16-11767 Northwest Territorial Mint LLC

Federal Reserve Project

I do not consent to my name being securitized or collateralized to pay the debts of the United States owed to the Federal Reserve or other entity. My name is in fact a surety and subrogee which makes me the creditor to the debtor the United States. However, I have given the United States, US trustee, etc. power of attorney which bypasses any statutory laws or government codes which might have any operation of legal force against my surety, my subrogee or Jeffrey-Mark: McMeel, the Claimant and Creditor of the Estate which has been delivered to a court clerk of the United States by the bankruptcy laws of the United States.

If you check the Claims registry you will find I have a verified proof of Claim under notary seal.

Consider this your SF 61 , the Appointment Affidavit and your Miranda warning to the undersigned. Our contract under the National Constitutions.

Administrate your duties for this Claimant and beneficiary of the paramount Trust/Contract you swore to uphold. Execute your authority to settle the amount claimed held by the Bankruptcy Court clerk Jim Kinch and the court Administrator Janet at Seattle. I require payment now.

Thank you,

L.S. Jeffrey Mark McMeel Jeffrey-Mark: McMeel a man of God in full  
life, beneficiary and priority Claimant

CC: Administrator Jose Colton, US Trustee
