RE: Court fiduciary appointment Case No. 16-11767 Northwest territorial Mint LLC

Dear Court Fiduciaries,

Please see the attached letter sent from Judge Alston's Chambers to one "Mr. McMeel". The telephone hearing with the deputy Brandon was within a fiduciary arrangement on file with the Court and in the court docket. The Court accepted my fiduciary power of attorney in 2016, available for public viewing.

I, as authorized representative, for Jeffrey McMeel, Notice the Court that I am a private civilian, a free inhabitant on the soil of Washington state, a non belligerent, and non-combatant. I am not now, nor have I ever been an enemy to or ally to any enemy of the United States. I apologize for any confusion with the United States, the court or US Trustee.

Fiduciary appointment and verbal deposit

For and on the record, my communication with Brandon, a court officer, partners in a fiduciary capacity are present, in the estate duties of the United States, which includes the court, where possession of the estate is held within city limits.

Verbal

↓
My deposit with the court:

1. I accept your oaths under the Constitution and SF form 61 and bind you to it.
2. I am making a verbal deposit of title deeds to effect a reconveyance and reconversion of the estate held by the court.
3. I am an exclusive heir and beneficiary, cestui que trust, of the estate.
4. I am appointing the court as fiduciary in the matter.

Thank you for acknowledging and accepting my fiduciary appointment for the court. Thank you for upholding your public oaths as is your duty. The court and I have an agreement, so show cause why not. It's agreed and on the record. I am going to hold you fiduciaries and the court to your words which you didn't say.

The fiduciary relationship is in equity, not a legal proceeding, which the court has a duty within trust relations. I have appeared in equity with special deposits. The court is holding the Res and I want the court to preserve the Trust property, manage and protect it for my benefit.

Consider making an act of confession to get it off your conscience and thus avoid the capital state.

Thank you for your honest, fair and honorable service as court fiduciary,

By:  _____ Jeffrey McMeel, authorized representative.
