SUPPRESSION MEMO

Employee Contact Following Resignations of Ross Hansen & Diane Erdmann

Dear Northwest Territorial Mint Staff:

Several of you have brought it to my attention that you have been contacted by either Ross Hansen or Diane Erdmann, following their resignations from the Company. I understand the uncomfortable position these calls put you in and our attorney has reached out to Ross and Diane to ask that they cease and desist in communicating with NWTM employees.

While you may have shared company information with them up to this point, it is no longer appropriate for you to do so. Both Ross Hansen and Diane Erdmann have been instructed to direct any inquiry to Corporate Headquarters, so that their requests can be approved or denied upon legal review, under the Chapter 11 Guidelines.

You are already under a similar restriction in regard to speaking with the press. All press inquiries are to be referred to Mike Flynn, Marketing Manager.

Any NWTM employee who is found to be communicating with news agencies, Diane Erdmann or Ross Hansen - in any form - about NWTM Company business will be terminated immediately. Any employee who objects to complying with this rule will be expected to resign upon receipt of this MEMO.
