MARK L. HATCHER, CLERK  
OF THE BANKRUPTCY COURT

RE: Complaint against Inspector Michael Leien (?) and SDUSM Fleck

Dear Sirs:

These two United States Marshals tried to interrogate me on May 20, 2016 at the United States Courthouse in Seattle Washington. I was there to attend a bankruptcy court hearing.

Then on June 17, 2016 the same Marshals and a third one John Doe arrested me and interrogated me before releasing me to a homeland security cop.

On both occasions these two men enticed me to testify against myself without a lawyer present. Neither did they inform me I could request a lawyer to be present.

My complaint is neither marshal is a licensed BAR attorney/lawyer and were practicing law and/or a simulated legal process without a license from your association.

These men are employees of the UNITED STATES, they have breached their duty as fiduciary agents for that government as I have put in the public record a power of attorney for the UNITED STATES as my attorney in fact. The agreement is final, until I say otherwise or the Power of attorney is returned to me with a signed rejection letter of the attorney appointed.

Failure to refer a complaint to the department of justice or the Attorney General of Washington State joins the Practice of Law Board in a racketeering corrupt influenced organization and requires me to submit an IRS form 3949a.

Thank you for not delaying justice and engaging your customer satisfaction policy.
