UST-14, SUMMARY OF DEPOSITS & DISBURSEMENTS

INSTRUCTIONS: <u>BEFORE COMPLETING THIS PAGE</u> , prepare a UST-14 CONTINUATION SHEET (see next page) for each bank account or other source of the debtor's funds. The deposit and disbursement total from each CONTINUATION SHEET will be used to complete this SUMMARY.						
The debtor is responsible for providing an accurate <u>monthly</u> disbursement total for the purpose of calculating its obligation pursuant to 28 U.S.C. § 1930 (a)(6) to pay statutory fees to the United States Trustee. The disbursement total encompasses all payments made by the bankruptcy estate during the reporting month, whether made directly by the debtor or by another party for the debtor. It includes checks written and cash payments for inventory and equipment purchases, payroll and related taxes and expenses, other operating costs, and debt reduction. It also includes payments made pursuant to joint check arrangements and those resulting from a sale or liquidation of the debtor's assets. The only transactions normally excluded from the disbursement total are transfers within the same reporting month between multiple debtor accounts.						
A fee payment is due within 30 days after the end of each calendar quarter, or on April 30 , July 31 , October respectively. Since the amount billed is an estimate, the debtor is responsible for paying the correct statutor disbursements for the <u>calendar quarter</u> , or portion thereof the debtor was in Chapter 11. Failure to pay statu Trustee is cause for conversion or dismissal of the case. Explanation of Finance Charge: Your Finance Charge attributable to interest (hereinafter referred to as interest) is computed using the Average Daily Balance method.

Average Daily Balance method (Balance Subject to Interest Rate): Your interest is computed on all purchases and cash advances (collectively "advances") from the date each advance is posted until we receive payment in full (there is no grace period). We figure the interest on your line of credit by multiplying the daily periodic rate by the "Average Daily Balance" of your line of credit (including current transactions) and multiplying by the number of days in the billing cycle. To get the Average Daily Balance we take the beginning balance of your line of credit each day, add any new advances or debits, and subtract any payments and credits, any non-financed fees and unpaid interest. This gives us the daily balance. Then we add up all of your daily balances in the billing cycle and divide this total by the number of days in the billing cycle to get your Average Daily Balance.

CREDIT INFORMATION: If you believe we have reported inaccurate information about your account to a credit reporting agency, you may contact the credit reporting agency or write to us at:

- We can apply any unpaid amount against your credit limit

Explanation of Finance Charge: Your Finance Charge attributable to interest (hereinafter referred to as interest) is computed using the Average Daily Balance method.

Average Daily Balance method (Balance Subject to Interest Rate): Your interest is computed on all purchases and cash advances (collectively "advances") from the date each advance is posted until we receive payment in full (there is no grace period). We figure the interest on your line of credit by multiplying the daily periodic rate by the "Average Daily Balance" of your line of credit (including current transactions) and multiplying by the number of days in the billing cycle. To get the Average Daily Balance we take the beginning balance of your line of credit each day, add any new advances or debits, and subtract any payments and credits, any non-financed fees and unpaid interest. This gives us the daily balance. Then we add up all of your daily balances in the billing cycle and divide this total by the number of days in the billing cycle to get your Average Daily Balance.

CREDIT INFORMATION: If you believe we have reported inaccurate information about your account to a credit reporting agency, you may contact the credit reporting agency or write to us at:
