

II

CONSENTS AND AGREEMENTS

1. In accordance with its written consent, made a part of this Order, and to effect settlement of this action without a trial on the merits or further judicial proceedings, FBG consents to this *Order Of Permanent Injunction And Other Equitable Relief Against Defendant FBG* ("Order"). FBG also: (1) acknowledges service upon it of the summons and complaint in this action; (2) admits this Court's personal and subject matter jurisdiction over it and this action; (3) admits that venue properly lies with this Court; and (4) waives the entry of findings of fact and conclusions of law in this action pursuant to Fed. R. Civ. P. 52, except the findings of fact contained in this Order which shall be taken as true and correct and shall be given preclusive effect without further proof for use in any bankruptcy proceeding filed by, on behalf of, or against FBG, as further described in paragraph 3 below.

2. By consenting to the entry of this Order, FBG neither admits nor denies the allegations of the CFTC's complaint or the findings of fact and conclusions of law made by this Court and contained in this Order, except as to jurisdiction and venue. However, FBG agrees and the parties to this Order intend that the allegations of the CFTC's complaint and all of the findings of fact made by this Court and contained in this Order shall be taken as true and correct and shall be given preclusive effect without further proof in any bankruptcy proceeding filed by, on behalf of, or against FBG for the purpose of determining whether its restitution obligation and/or other payments ordered herein are excepted from discharge. FBG also shall provide immediate notice of any bankruptcy proceeding filed by, on behalf of, or against its in the manner required by this Order.

3. FBG agrees that: (a) it will not take any action or make or permit to be made any public statement denying, directly or indirectly, any allegation in the Complaint or finding or

conclusion contained in this Order, or creating, or tending to create, the impression that this Order is without a factual basis; (b) no agent or employee of FBG acting under its authority or control shall take any action or make or permit to be made any public statement denying, directly or indirectly, any of the findings or conclusions in this Order or creating, or tending to create, the impression that any allegation in the Complaint or this Order is without factual basis, and (c) shall undertake all steps necessary to ensure that all of its agents and employees understand and comply with this Order. Nothing in this provision shall affect FBG's testimonial obligations or right to take legal positions in other proceedings to which the CFTC is not a party.

4. FBG consents and agrees to waive: (a) all claims that it may possess under the Equal Access to Justice Act ("EAJA"), 5 U.S.C. § 504 and 28 U.S.C. § 2412, as amended by Pub. L. No. 104-121, §§ 231-32, 110 Stat. 862-63, and Part 148 of the CFTC's Regulations, 17 C.F.R. §§ 148.1 *et seq.*, relating to or arising from this action and any right under EAJA to seek costs, fees, and other expenses relating to or arising from this proceeding; (b) any claim of Double Jeopardy based upon the institution of this proceeding or the entry in this proceeding of any order imposing a civil monetary penalty or any other relief; and (c) all rights of appeal from this Order.

5. FBG consents to the continued jurisdiction of this Court for the purpose of enforcing the terms and conditions of this Order.

6. FBG affirms that it has read this Order and agrees to this Order voluntarily, and that no promise or threat of any kind has been made by the CFTC or any member, officer, agent, or representative thereof, or by any other person, to induce its consent to this Order.

7. Further, FBG affirms that this Consent to Order has been authorized and approved by its officers and board of directors and that such approval and authorization has been delegated to Staci Lee Petok ("Petok") to sign this Consent to Order on its behalf.

III

FINDINGS OF FACT

This Court, being fully advised in the premises, finds that there is good cause for the entry of this Order and that there is no just reason for delay. This Court therefore directs the entry of findings of fact, a permanent injunction, and other equitable relief pursuant to Section 6c of the Act, 7 U.S.C. § 13a-1, as set forth herein.

A Jurisdiction and Venue

1. This Court has jurisdiction over this action pursuant to Section 6c of the Act, 7 U.S.C. § 13a-1, which authorizes the CFTC to seek injunctive relief against any person whenever it shall appear to the CFTC that such person has engaged, is engaging, or is about to engage in any act or practice constituting a violation of any provision of the Act or any rule, regulation or order thereunder.

2. Venue properly lies with this Court pursuant to Section 6c of the Act, 7 U.S.C. § 13a-1(e), in that FBG is found in, inhabits, or transacts business in this district, and the acts and practices in violation of the Act occurred within this district.

B The Parties

1. Plaintiff, the U.S. Commodity Futures Trading Commission, is the independent federal regulatory agency charged with the administration and enforcement of the Act, 7 U.S.C. § 1 *et seq.*, and the Regulations promulgated thereunder, 17 C.F.R. § 1.1 *et seq.*

2. Defendant FBG is a corporation registered in Florida since August 12, 2001. FBG lists its principal place of business as 1640 S.W. 23rd Avenue, Fort Lauderdale, Florida 33312

and promotional material for the firm gives an office address of 4485 Stirling Road, Suite 206, Dania Beach, FL 33314. During the period April 2002 to May 2002, FBG maintained an internet website. FBG has never been registered with the CFTC in any capacity.

C Fraudulent Misrepresentations and Misappropriation of Funds

1. From at least August 2001 to the present, FBG, and other persons or entities under its supervision or control, or acting in combination or concert with it, fraudulently solicited persons to send funds to FBG for the purpose of investing in futures on foreign currencies and commodities.

2. FBG, and other persons or entities under its supervision and control, or acting in combination or concert with it, falsely and misleadingly represented to customers that they would realize extraordinary profits immediately, with little or no risk, by investing foreign currency and commodity futures contracts through FBG.

3. FBG did not use customer funds to purchase any futures contracts. Instead, FBG, and other persons or entities under its supervision and control, or acting in combination or concert with it, purposely misled persons into believing that their funds were being used to purchase foreign currency and gold futures contracts by falsely telling them that contracts had been purchased and sold at a profit. As part of their scheme to mask their illegal activities, FBG, and other persons or entities under its supervision or control, or acting in combination or concert with it, sent false written statements to investors showing fictitious futures transactions. These statements falsely represented that "trading activity" in customer accounts had resulted in substantial profits.

4. FBG, and other persons or entities under its supervision and control, or acting in combination or concert with it, instructed persons to wire funds to accounts in the name of FBG

at Washington Mutual Bank and Suntrust Bank in Hollywood, Florida, purportedly to invest in futures on foreign currencies and precious metals.

5. As the result of the fraudulent solicitations by FBG, and other persons or entities under its supervision and control, or acting in combination or concert with it, individuals sent funds totaling \$129,945 to bank accounts at Washington Mutual Bank and Suntrust Bank in the name of FBG, of which \$26,000 was returned to one customer. Contrary to representations to customers that the funds were being used to purchase futures contracts, FBG transferred those funds to various individuals, including other defendants, and used funds from those accounts to pay personal expenses unrelated to trading futures contracts.

D Offer and Sale of Illegal Off-Exchange Futures and Options Contracts

1. From at least August 2001, FBG, and other persons or entities under its supervision and control, or acting in combination or concert with it, solicited retail individuals to invest in illegal off-exchange futures contracts on foreign currency and futures contracts on precious metals. After receiving customer funds, FBG, and other persons or entities under its supervision and control, or acting in combination or concert with it, told customers that their funds were being used to invest in gold futures and futures on foreign currency.

2. Section 2(c)(2)(B)(i)-(ii) of the Act, 7 U.S.C. § 2(c)(2)(B)(i)-(ii), provides that the CFTC shall have jurisdiction over any agreement, contract or transaction in foreign currency that is a futures or option contract so long as the contract is “offered to, or entered into with, a person that is not an eligible contract participant” unless the counterparty, or the person offering to be the counterparty, is a regulated person or entity as defined under the Act.

3. Most, if not all, of the foreign currency transactions offered by FBG were offered to persons who were not eligible contract participants.

4. FBG did not conduct gold futures transactions and foreign currency futures transactions on or subject to the rules of a board of trade that has been designated by the CFTC as a contract market, nor did it execute or consummate those transactions by or through a member of such a contract market. It also did not conduct such transactions on a facility registered as a derivatives transaction execution facility.

5. No funds sent by persons to the FBG accounts at Washington Mutual Bank and Suntrust Bank were transferred to any futures trading firm, or to any entity acting as a counterparty that is a regulated entity defined under the Act. Instead, the funds were misappropriated and used for personal goods and expenses unrelated to foreign currency futures and gold futures trading. Furthermore, FBG was not a proper counterparty under the Act.

IV

PERMANENT INJUNCTION

The injunctive provisions of this Order shall be binding upon FBG, any person insofar as he or she is acting in the capacity of officer, agent, servant, or attorney of FBG, and any person who receives actual notice of this Order by personal service or otherwise insofar as he or she is acting in active concert or participation with FBG.

IT IS HEREBY ORDERED THAT:

1. FBG is permanently restrained, enjoined, and prohibited from directly or indirectly:
 - a. cheating or defrauding or attempting to cheat or defraud other persons and willfully deceiving or attempting to deceive other persons by making false, deceptive or misleading representations or material facts, by failing to disclose material facts, and by misappropriating customer funds in or in connection with orders to make, or the making of, contracts of sale of commodities for future delivery, made or to be made for or on behalf of any other person in violation of Section 4b(a) of the Act, 7 U.S.C. § 6b(a), and CFTC Regulation 1.1(b), 17 C.F.R. § 1.1(b); and

- b. offering to enter into, entering into, executing, confirming the execution of, or conducting business for the purpose of soliciting, accepting any order for, or otherwise dealing in any transaction in, or in connection with a contract for the purchase or sale of a commodity for future delivery when: (1) such transactions have not been conducted on or subject to the rules of a board of trade designated as a contract market or derivative transaction execution facility by the CFTC for such commodity and (2) such contracts have not been executed or consummated by or through a member of such contract market or derivatives transaction facility in violation of Section 4(a) of the Act, 7 U.S.C. § 6(a).

IT IS FURTHER ORDERED THAT:

2. FBG is permanently restrained, enjoined, and prohibited from:
 - a. trading on or subject to the rules of any registered entity, as that term is defined in Section 1a(29) of the Act, as amended by the CFMA, 7 U.S.C. § 1a(29);
 - b. engaging in, controlling, or directing the trading of any futures or options accounts for or on behalf of any other person or entity, whether by power of attorney or otherwise; and
 - c. applying for registration, seeking exemption from registration, engaging in any activity requiring registration or exemption from registration, except as provided for in Section 4.14(a)(9) of the Commission's Regulations, or acting in any capacity or affiliate in any way with any individual or entity that is registered, is required to be registered, or is exempt from registration with the Commission, except as provided for in Section 4.14(a)(9) of the Commission's Regulations, or is acting in any capacity requiring registration with the Commission or exemption from registration, except as provided in Section 4.14(a)(9) of the Commission's Regulations.

V

RESTITUTION AND ANCILLARY RELIEF

IT IS HEREBY FURTHER ORDERED:

A Restitution

1. FBG shall make full restitution of \$103,945, plus pre- and post-judgment interest, to all persons who gave funds, either directly or indirectly, to defendants as a result of their

course of illegal conduct alleged in the Complaint. FBG's restitution obligation shall be reduced by any amount of restitution payments made by defendants Alliance Equity Group, Inc. ("AEG"), Great Minster Group, Inc. ("GMG"), Centurion Financial Group, LC ("CFG"), Petok, Bernard Justin Sevilla, Michael Desmond Biggs, and/or Jack Martin Pomeroy pursuant to order of this Court.

2. FBG shall make a full accounting of all persons who gave funds, either directly or indirectly, to defendants as a result of their course of illegal conduct alleged in the Complaint, including a report of all funds received from and/or paid to such persons.

3. Pre-judgment interest shall be determined by using the underpayment rate established quarterly by the Internal Revenue Service pursuant to 26 U.S.C. § 662(a)(2) from August 2001 to the date of this Order. Post-judgment interest shall be determined by using the Treasury Bill rate prevailing on the date of this Order pursuant to 28 U.S.C. § 1961(a).

4. In satisfaction of FBG's obligation, it shall make payments pursuant to the payment plan as described within this order over a period of ten (10) years following the date of entry of this Order, or until full restitution is made or otherwise discharged, whichever occurs sooner ("Payment Period").

B Restitution Payments

1. The National Futures Association shall be designated as Monitor for the period beginning with the date of entry of this Order and continuing until distribution of the last payment called for by this Order, or until restitution is paid and distributed in full, whichever occurs first, and shall oversee FBG's restitution obligation.

2. The Monitor shall make periodic distributions of funds, obtained from FBG, as restitution payments to investors. Restitution payments shall be made in an equitable fashion as

determined by the Monitor to all persons who gave funds, either directly or indirectly, to defendants as a result of their course of illegal conduct alleged in the Complaint and any other investor upon sufficient proof of his or her investment with FBG.

3. Based upon the amount of funds available, the Monitor may decide to defer distribution. Should the amount due under the payment plan for any Annual Payment be greater than the balance due on FBG's restitution obligation, the amount due under the payment plan not paid as restitution will constitute FBG's first Annual CMP Payment and be paid as specified above.

C Civil Monetary Penalty

1. FBG shall pay a contingent civil monetary penalty of \$240,000, pursuant to the payment plan outlined in this Order, commencing upon FBG's fulfillment of its total restitution obligation as set forth in this Order. FBG shall make an annual civil monetary penalty payment ("Annual CMP Payment") following FBG's satisfaction or other discharge of its restitution obligation, and continuing until December 31, 2013 (or until the civil monetary penalty is paid in full, if that happens first). FBG shall make each such Annual CMP payment, as calculated by the Monitor according to this Order, by electronic funds transfer, or by U.S. postal money order, certified check, bank cashier's check, or bank money order, made payable to the Commodity Futures Trading Commission and sent to Dennese Posey, Division of Enforcement, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street, N.W., Washington, DC 20581, under cover of a letter that identifies FBG and the name and docket number of this proceeding; FBG shall simultaneously transmit a copy of the cover letter and the form of payment to the Monitor and to the Director, Division of Enforcement, Commodity Futures Trading Commission, 1155 21st Street, NW, Washington, DC 20581.

2. This Court is not ordering immediate payment of the entire civil monetary penalty pursuant to Section 6c(d) of the Act, 7 U.S.C. § 13a-1(d), or immediate payment of restitution based upon the accuracy and completeness of FBG's sworn representations to the CFTC concerning its financial condition. If at any time following the entry of this Order, the CFTC obtains information indicating that any of FBG's representations to the CFTC concerning its financial condition were fraudulent, misleading, inaccurate, or incomplete in any material respect as of the time such representations were made, the CFTC may, in its sole discretion and without prior notice to FBG, petition this Court for an order requiring FBG to pay full restitution or a civil monetary penalty immediately. In connection with any such petition, the only issues shall be whether the financial information provided by FBG was fraudulent, misleading, inaccurate, or incomplete in any material respect as of the time such representations were made, and the amount of civil monetary penalty imposed. In its petition, the CFTC may request that this Court consider all available remedies, including, but not limited to, ordering FBG to pay funds or transfer assets, directing the forfeiture of any assets, imposing sanctions for contempt of this Order, and/or the CFTC may also request additional discovery. FBG shall not, by way of defense to such petition, challenge the validity of its consent to this Order, contest the allegations of the CFTC's complaint or the findings or conclusions contained in this Order, contest the amount of restitution, or assert that payment of restitution or a civil monetary penalty should not be ordered.

D Payment Plan

1. For the Payment Period, FBG shall make an annual payment ("Annual Payment") to an account designated by the Monitor of a percentage of:
 - a. its combined adjusted gross income (as defined by the Internal Revenue Code) earned or received by FBG during the previous calendar year; plus

- b. all other cash receipts, cash entitlements, or proceeds of non-cash assets received by FBG during the previous calendar year.
2. The Annual Payment shall be made on or before June 30th of each calendar year, starting in calendar year 2004, and continuing for the Payment Period.
3. FBG shall provide a sworn financial statement to the Monitor on June 30th and December 31st of each calendar year, starting June 30, 2003 and continuing through and including December 31, 2012. The financial statement shall provide:
 - a. a true and complete itemization of all of its rights, title and interest in (or claimed in) any asset, wherever, however and by whomever held;
 - b. an itemization, description and explanation of all transfers of assets with a value of \$1,000 or more made by or on behalf of its over the preceding six-month interval; and
 - c. a detailed description of the source and amount of all its income or earnings, however generated.
4. FBG shall also provide the Monitor with complete copies of its signed federal income tax returns, including all schedules and attachments thereto, as well as any filings it is required to submit to any state tax or revenue authority, on or before June 30th of each calendar year, or as soon thereafter, beginning in 2003 and ending in 2012. If it moves its principal place of business at any time it shall provide written notice of its new address to the Monitor and the CFTC, through the Director, Division of Enforcement, Commodity Futures Trading Commission, at 1155 21st Street, N.W., Washington, DC 20181, within ten calendar (10) days thereof.
5. On or before June 15th of each year of the Payment Period, starting in calendar year 2004, the Monitor shall calculate FBG's Annual Payment due, based on the information contained in the tax returns submitted by FBG and the specific amounts payable to each investor. On or before June 30th of each year and starting in calendar year 2004, the Monitor shall send

written notice to FBG of the Annual Payment to be paid toward FBG's restitution obligation, or if FBG's restitution obligation has been satisfied, the amount of civil monetary penalty to be paid in accordance with the payment instructions in this Order.

The Annual Payment or Annual CMP shall be determined as follows:

| Total Adjusted Gross Income Plus Net Cash Receipts: | Annual Payment Due: |
|--|--|
| \$0 up to and including \$25,000.00 | 0% |
| \$25,000.01 up to and including \$50,000.00 | 20% of the amount above \$25,000 |
| \$50,000.01 up to and including \$100,000.00 | \$5,000 plus 30% of the amount between \$50,000 and \$100,000 |
| Above \$100,000.01 | \$20,000 plus 30% of the amount between \$50,000 and \$100,000 plus 40% of the amount above \$100,000. |

6. On or before June 30th of each year of the Payment Period, FBG shall make payment of the Annual Payment due, as calculated by the Monitor, to an account designated by the Monitor.

7. Any restitution payments made by FBG shall be disbursed by the Monitor to investors in accordance with the provisions in this Order.

E Evidence of Payment

1. Within thirty (30) days after the date of this Order, FBG shall submit to the CFTC and shall file with this Court a sworn statement under penalty of perjury fully documenting that payment of all restitution has been accomplished according to the terms and conditions of this Order. FBG shall include true copies of all appropriate payment documentation including, but

not limited to, canceled checks, bank wire transfers, cashier's checks, money orders, sight drafts and/or any other evidence of payment employed to effectuate its restitution.

F Tax Claims

1. FBG shall inform the Monitor if it makes any claim with the Internal Revenue Service or any state tax or revenue authority to recover taxes relating to previously filed income tax returns and shall provide the Monitor with all documentation relating to any such claim. In the event that FBG obtains any funds from the Internal Revenue Service or any state tax or revenue authority based on a claim as described above, it shall immediately transfer all of those funds to the Monitor for distribution to customers in connection with its restitution obligation. Such funds shall not be included under the provisions of the Payment Plan and shall not be considered income for purposes of calculating the Annual Payment under this Order.

G Transfer of Assets

1. FBG shall not transfer, or cause others to transfer, funds or other property to the custody, possession, or control of any other person or entity for the purpose of concealing such funds from this Court, the CFTC, the Monitor, or any investor until its restitution and civil monetary penalty obligations have been paid in full.

H Cooperation

1. FBG shall cooperate fully and expeditiously with the Monitor and the CFTC in carrying out all duties with respect to restitution and civil monetary penalty payments. FBG will cooperate fully with the Monitor and the CFTC in explaining its financial income and earnings, status of assets, financial statements, asset transfers and tax returns, and shall provide any information concerning itself as may be required by the CFTC and/or the Monitor. Furthermore, FBG shall provide such additional information and documents with respect thereto as may be requested by the CFTC and/or the Monitor.

I Third-Party Beneficiaries

1. Pursuant to Fed. R. Civ. P. 71, the investors are explicitly made intended third-party beneficiaries of this Order and, after the date the last payment called for by this Order is due, may enforce obedience of this Order to obtain satisfaction of any portion of the restitution obligation which has not been paid by FBG, to ensure continued compliance with any provision of this Order, and to hold FBG in default and/or contempt for any past violation of any provision of this Order.

J Collateral Agreements

1. FBG shall immediately notify the CFTC and the Monitor if it makes or has made any agreement with any investor obligating any payments to that investor outside of the plan set forth in this Order. FBG also shall provide immediate evidence of any payments made pursuant to such agreement in the manner required by Part V of this Order.

K Default

1. Any failure by FBG to carry out any of the terms, conditions or obligations under any paragraph of this Order shall constitute an Event of Default. If any Event of Default occurs the CFTC (or its designee) shall be entitled to:

- a. an order requiring immediate payment of any unpaid Annual Restitution Payments and/or CMP Payments, or, at the CFTC's option, the entire unpaid balance, or any unpaid portion, of the restitution amount and/or civil monetary penalty set forth above in Part IV of this Order; and
- b. move the Court for imposition of all other available remedies, including, but not limited to, an order holding FBG in contempt for violation of this Order.

2. Upon the occurrence of an Event of Default based upon a claim or cause of action that FBG failed to make any Annual Restitution Payments and/or Annual CMP Payments when due, FBG will be barred from asserting any defense, including expiration of any statute of limitations, waiver, estoppel or laches, where such defense is based on the alleged failure of the

CFTC to pursue such claims or causes of action during the pendency of this civil action, during the negotiation of FBG 's consent to this Order or while this Order remains in effect. The only issue that FBG may raise in defense is whether it made the Annual Restitution Payments and/or Annual CMP Payments as directed by the Monitor. Any motion by the CFTC for entry of an order pursuant to this paragraph requiring payment of less than the full amount of the restitution and/or civil monetary penalty, set forth in this Order, or any acceptance by the CFTC of partial payment of the Annual Restitution Payments and/or Annual CMP Payments made by FBG shall not be deemed a waiver of the CFTC's right to require FBG to make further payments pursuant to the Payment Plan set forth above, or, in the event of a further Event of Default, a waiver of the CFTC's right to require immediate payment of the entire remaining balance, or any unpaid portion, of the restitution amount and/or civil monetary penalty set forth in this Order.
