

UNITED STATES BANKRUPTCY COURT
WESTERN DISTRICT OF TEXAS
AUSTIN DIVISION

IN RE: §
§ CASE NO. 15-10940-tmd
BULLIONDIRECT, INC., § (Chapter 11)
Debtor. §

**GENERAL NOTES PERTAINING TO SCHEDULES AND STATEMENT OF
FINANCIAL AFFAIRS**

General Financial Data. The undersigned current Chief Restructuring Officer was not associated with Debtor prior to the petition date and has no personal knowledge of information reflected in the Debtor's business and financial records on which the bankruptcy schedules and the Statement of Financial Affairs are based. Significant omissions, including unprepared and unfiled tax returns for 2011 through 2015, result in substantial gaps in records and data that will be necessary to reconstruct the Debtor's transactions and business history. The information was derived from incomplete and unreconciled financial records and interviews with former management, employees and representatives of Diamond State Depository, LLC d/b/a International Depository Services of Delaware ("IDS").

Schedule F - Creditors Holding Unsecured Nonpriority Claims – Website Claimants. Debtor is unable to accurately determine the probable amounts of the many thousands of claims that arose from the Debtor's prepetition transactions at the www.BullionDirect.com website. The Debtor's database has not been reconciled with inventories of the vaults which have provided storage for precious metals which were the subject of most website transactions. Many more claims regarding precious metal storage have been asserted than appear from the inventory of precious metals held in the IDS vault or at the Debtor's office in Austin, Texas. For these reasons, and even though the Debtor will continue to reconcile these matters, the claims of Website Claimants are scheduled as "disputed".
