### UST-14, SUMMARY OF DEPOSITS & DISBURSEMENTS

**INSTRUCTIONS:** <u>BEFORE COMPLETING THIS PAGE</u>, prepare a UST-14 CONTINUATION SHEET (see next page) for each bank account or other source of the debtor's funds. The deposit and disbursement total from each CONTINUATION SHEET will be used to complete this SUMMARY.

The debtor is responsible for providing an accurate <u>monthly</u> disbursement total for the purpose of calculating its obligation pursuant to 28 U.S.C. § 1930 (a)(6) to pay statutory fees to the United States Trustee. The disbursement total encompasses all payments made by the bankruptcy estate during the reporting month, whether made directly by the debtor or by another party for the debtor. It includes checks written and cash payments for inventory and equipment purchases, payroll and related taxes and expenses, other operating costs, and debt reduction. It also includes payments made pursuant to joint check arrangements and those resulting from a sale or liquidation of the debtor's assets. The only transactions normally excluded from the disbursement total are transfers within the same reporting month between multiple debtor accounts.

A fee payment is due within 30 days after the end of each calendar quarter, or on **April 30**, **July 31**, **October 31**, and **January 31**, respectively. Since the amount billed is an estimate, the debtor is responsible for paying the correct statutory fee based on its actual disbursements for the <u>calendar quarter</u>, or portion thereof the debtor was in Chapter 11. Failure to pay statutory fees to the United States Trustee is cause for conversion or dismissal of the case. A copy of the statutory fee schedule may be found attached to this report. If you have questions computing the disbursement total, contact the Bankruptcy Analyst assigned to your case at (206) 553-2000.

#### Significant Events and Case Progress October 2018:

The company experienced an operating profit in October of \$8,392 compared with an operating loss of \$27,182 in September.

The Court authorized the Trustee to sell remaining property of the estate per order of July 10, 2018. NWTM sent miscellaneous collector numismatic pieces from inventory to a dealer for sale on consignment. Anticipated to receive sale proceeds by end of year.

Court Approved transferring certain NWTM records to the Department of Justice and the release of other records to Ross Hanson. All of "Ross Hanson" boxes were removed from the Dayton facility by Ross Hanson. Other records were transferred to a Department of Justice storage facility.

All Equipment in the Dayton facility has now been sold or disposed of. All remaining inventory has been securely stored in WA to be sold or otherwise liquidated. Given the nature and amount of the inventory and how the value can be maximized with a sale over time, the trustee anticipates filing a motion to contract with a former employee to liquidate the inventory.

Dayton facility is empty and was turned over to the Landlord on September 18th. The original transfer date was anticipated to be September 7th but delays in the removal of chemicals from the facility by the vendor responsible for the removal caused the delay in the turnover date. The Trustee contracted for a Phase I EPA inspection of the facility as called for under the settlement agreement with the Dayton landlord. The initial inspection was completed in September. Initial results of the inspection were received in November and a final report is expected in December, 2018.

The Trustee reached a settlement agreement with the Dayton landlord in September and the court approved agreement in October. The Trustee paid the approved settlement amount in full.

The Company is working on backing up all data and moving it from the servers housed at Greenhouse to a different location in order to reduce the cost of maintenance of the data.

The company has terminated all remaining employees as of 9/30/2018. The Trustee will obtain services necessary to the administration of the estate on a consulting basis from certain former employees as necessary.

Trustee will continue to liquidate the estate's assets in Chapter 11 and distribute the liquidation proceeds subject to a court order. The proceeds will pay administrative claims. The Trustee does not anticipate distributions to the General Unsecured Creditors.
