1/15/19

Subject: Written Objection To Fee Applications For Compensation

Having experienced a haircut to the tune of nearly \$20,000 as a result of the malfeasance and unethical behavior perpetrated on the unsuspecting public by the principals of Northwest Territorial Mint, I find it unconscionable that Calvert, et al, stand to make millions of dollars on this travesty.

I strongly object to anyone, other than those who actually lost money to the criminal organization FKA Northwest Territorial Mint, recouping one thin dime off this disaster.

That includes all attorneys, accountants, trustees, etc. Calvert and Cascade Capital have done nothing to recoup a penny for those that have been wronged, yet feel deserving of millions of dollars in compensation – I fail to find the justice in that arrangement.

Please take further notice that I object to and oppose any and all compensation to any and all applicants listed on the Notice of Continued Hearing On Applications For Compensation (Case No. 16-11767-CMA).
