I object to the trustee
and the trustees' professionals
receiving any further payments
from the debtors estate due to
a clear pattern of ~~fraud~~
mismanagement, malfeasance and
non-feasance as shown in
the records at numerous dockets
throughout the case files.

Specifically the trustee and
his professionals have repeatedly
misrepresented the physical inventory

located in the various vaults
located in Dayton, Nevada and
Federal Way, Washington as
well as in Auburn, Washington.
More specifically the trustee and
his professionals have produced
documents with markedly divergent
numbers and weights of storage
customer inventory located in the
numerous vaults (see dkt #'s
457, 459, 607, 609, 622, 623, 624, 625,
629, 709 and Dkt # 729 as well
as exhibit A of dkt 457).

The Inventory that was supposedly
returned to storage certain storage

customer does not match
the listing in DKT # 457 exhibit
A,,, nor does the total match
the totals affected to by Ms.
Christine Unwin in DKT # 625
at # 4,

In addition the timesheet
submitted show the sale of "..."
~~the~~ continued sale of Inventory
from the vaults" on Aug ~~24~~ 24,
2016 (DKT # 1982) before
any such authority was established
and conferred by the court (DKT,
728) on Sept 21, 2016 almost
one month later.

Due to these material irregularities

in record keeping as well as numerous other's that show a wanton disregard for ~~re~~ fiduciary responsibilities obligated to and attaching to the trustee and his ~~ps~~ professionals with regard to protecting the debtors assets for the benefit of creditors,...
