Re: *In re Northwest Territorial Mint LLC, Cause No. 16-11767-CMA*

Dear Judge Alston:

Our office is in receipt of your Order of July 20, 2016 requesting that this office and counsel for the Trustee appear at the hearing on Medallic Art Company LLC's 2004 Application on July 22, 2016 at 9:30 am to discuss a variety of topics relative to the 2004 Application.

I wish to advise your honor that, pursuant to their agreement to do so, Allison MacKenzie, Ltd. has now produced requested records to our office and counsel to the Trustee. Accordingly, the 2004 Application appears moot and it would appear appropriate to strike the hearing and withdraw the 2004 Application. In the interest of preserving valuable judicial resources, and controlling expenses for our client as well as the Trustee, we are proceeding on that basis and will strike the motion unless instructed otherwise by your honor.

Very truly yours,

BUCKNELL STEHLIK & SATO, LLP
