Paul – please see the email string below. This customer’s piece is import. He is looking for the China company’s information.

How should I respond?

Thank you-
Jenifer

I’m looking for the company information for the company that has the actual dies, not someone here in the states.

regards,

Tim Marquez

Thank you, that would be great.

Is it possible to get the contact information of that import vendor?

Regards,

Tim Marquez

Hi Timothy,

Looking over your attached invoices the coin you order is produced from our import vendor. I do not have access to those dies, however I can refer you to a company that can place a reorder using your existing dies.
